Accessible Twin-Routes Offer Exciting Sights and Sounds Along the Way

Xiangshan Visitor Center
The beauty of architectural landscape

Xiangshan Visitor Center, designed by a world-famous architect Dan Norihiko, consists of two curved wings with central canopies. Visitors can overlook the amazing scenery after reaching the top of the structure.

Xiangshan Overlook Platform
A popular spot for pictures

The hollowed-out design of the Xiangshan Overlook Platform allows visitors to feel the thrill and glance around Sun Moon Lake from above.

Xiangshan Trail and Bikeway
Roaming along the bikeway

The 3.4km Xiangshan Bikeway takes visitors from Shuishe to Xiangshan Visitor Center. There are Shuishe Dam, Yongjie and Tongxin Bridges, and Wedding Plaza along the way. Visitors can also overlook Hanbi Peninsula and Longfeng Temple.

Hanbi Hiking Trail
Beautiful Lake

The 1.5km Hanbi Hiking Trail at Shuishe area takes you around the Hanbi Peninsula. It takes about 40 to 50 minutes walk to complete the whole journey. This used to be a spot exclusively for Chiang Kai-Shek and his wife. Accessible ramp and wooden paths were built to create a comfortable environment for visitors to explore nature.

Sun Moon Lake Ropeway cable car
A wonderful experience

Sun Moon Lake Ropeway cable car allows visitors to look straight down at the picturesque Sun Moon Lake (it takes about 20 minutes for a round trip). Sun Moon Lake Ropeway also provides accessible services to visitors. Regular cable cars are able to carry electric wheel-chairs.

Formosan Aboriginal Culture Village

The only aboriginal theme park in Taiwan where you can enjoy the cherry blossom at night. You can took Sun Moon Lake Ropeway cable car to look straight down at the picturesque Sun Moon Lake.

Checheng Railway Cultural Park
A nostalgic tour to the past

Checheng Railway Cultural Park is a perfect place for visitors to take a glance of dormitories built during the Japanese occupation period, railway structures, and the lifestyle in the old days. The old trains, timber factories, and timber ponds present the history of railway culture and development of timber industry.
